

MY S.H.A.P.E. RÉSUMÉ

This is a “snapshot” profile summary of who you think God designed you to be. This "résumé" gives a visual reference of who you think you are and what kind of ministry you might be suited for.

Lighthouse Church also desires to have a copy of your unique S.H.A.P.E. so that we can interact with you on it, and also so that when a ministry opportunity arises you may be asked to participate in an area you are gifted in and passionate about. Fill out the following blank spaces provided. If you do not know an answer either, refer back to the appropriate S.H.A.P.E. exercise you completed, or complete the appropriate exercise to discover how you might be gifted.

Please hand the completed copy to be copied and filed.
